

Questionnaire

Preparing for the 5 Year Strategic Action Plan for
the Nashua River Watershed

The Nashua River Watershed Association (NRWA) is working with the Massachusetts Watershed Initiative's Nashua River Team to solicit views from area residents on a new five year strategic action plan complementary to NRWA's *2020 Vision Plan* and other regional plans.

1. What important parcels or features in your community have been lost when you look back over the past years?
2. What parcels would you like not to lose in the future?
3. How long have you been in your town or city and what first attracted you there?
4. What do you want your neighborhood to look like in years to come?
5. What two local environmental issues concern you the most?
6. What other watershed-wide concerns might you have regarding growth-related developments anticipated in the next five years?

Name (optional)_____

City or town_____

Thank you!
